

**WORK SESSION
FEBRUARY 12, 2024
6:00 P.M.**

The Town of Pine Mountain held a work session on the evening of Monday, February 12, 2024, at 6:00 P.M. in the Town Hall.

PRO PUMP MAITENANCE

The Mayor and Council discussed the maintenance contract proposal from Pro Pump for Preventive Maintenance Services at 8 lift stations managed by the Town of Pine Mountain. Pro Pump will supply all vehicles, tools, personnel, and labor to provide Preventive Maintenance Services. Pro Pump will perform all work during regular business hours and will coordinate the timing of services with the Town of Pine Mountain.

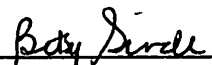

For a 1 Year Preventive Maintenance Service Agreement conducted once a year would cost \$6,570.00.

ALCOHOL LICENSE

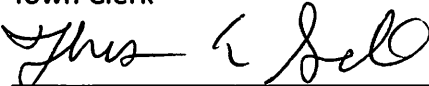

The Mayor and Council discussed the possibility of changing the alcohol license ordinance for residence from Harris County to include Troup and Meriwether Counties. Then they discussed the possibility of changing it to using the 31822-zip code for residence proof. After much discussion on this issue, it was decided to leave it at Harris County residence but add that the business owner and person that is applying for the license must appear at one council meeting. The Clerk will get with the Town's attorney and have the ordinance revised.

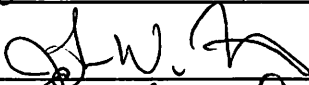

The work session ended at approximately 6:40 P.M.

Please see attached for those in attendance.
